

Data of Supervisors of the Doctoral School at WPUT

Supervisor: (academic titles and degrees, name and surname)	Dr hab. Małgorzata Hawrot-Paw, prof. ZUT
Units:	Department of Renewable Energy Engineering
E-mail:	malgorzata.hawrot-paw@zut.edu.pl
Contact:	-
ORCID	0000-0001-6062-688X
Scientific Discipline(s):	Environmental Engineering, Mining and Energy Research Council; Agriculture and Horticulture Research Council
Research Areas (max. 2000 characters):	Environmental microbiology and ecotoxicology Bioremediation and Phycoremediation processes, cell screening. Optimisation of microalgae cultivation conditions. Bioenergy production, with advanced biofuels. Bioprocess engineering and sustainable technologies.
Keywords (max. 10):	Microorganisms, microalgae, bioremediation, bioenergy, advanced biofuels, ecotoxicology, bioengineering
