

Data of Supervisors of the Doctoral School at WPUT

Supervisor: (academic titles and degrees, name and surname)	Dr hab. inż. Magdalena Cudak, prof. ZUT
Units:	Department of Chemical and Process Engineering
E-mail:	cudak@zut.edu.pl
Contact:	Faculty of Chemical Technology and Engineering, Piastów Ave. 42, 71-065 Szczecin
ORCID	0000-0002-3727-1651
Scientific Discipline(s):	chemical engineering
Research Areas (max. 2000 characters):	Study of transfer processes in two- and three-phase systems (gas-liquid; biophase-gas-liquid) in a stirred tank (bioreactor) with one or two stirrers.
Keywords (max. 10):	Mixing, biophase-gas-liquid systems, power consumption, hydrodynamics, bioreactor, heat and mass transfer
