

### Data of Supervisors of the Doctoral School at WPUT

Supervisor: (academic titles and degrees, name and surname)	dr hab. inż. Grażyna Dąbrowska, prof. ZUT
Units:	Faculty of Chemical Technology and Engineering / Department of Inorganic and Analytical Chemistry
E-mail:	Grazyna.Dabrowska@zut.edu.pl
Contact:	Katedra Chemii Nieorganicznej i Analitycznej al. Piastów 42 71-065 Szczecin tel. + 48 91 449-45-63
ORCID	0000-0002-2063-8031
Scientific Discipline(s):	chemical sciences
Research Areas (max. 2000 characters):	Chemistry and physical chemistry of solids, especially physical chemistry of ternary systems of metal oxides. Phase equilibria in ternary systems of metal oxides. Synthesis of new oxide materials with interesting catalytic, electrical, magnetic and optical properties
Keywords (max. 10):	XRD, DTA/TG, UV-Vis, IR, solid solutions, phase diagrams, multi-components oxide systems
