

Data of Supervisors of the Doctoral School at WPUT

Supervisor: (academic titles and degrees, name and surname)	Dr. Hab. Eng. Grzegorz Ulacha, Prof. ZUT
Units:	KAKiT, Faculty of Computer Science and Information Technology
E-mail:	gulacha@zut.edu.pl
Contact:	gulacha@zut.edu.pl
ORCID	https://orcid.org/0000-0002-5726-6251
Scientific Discipline(s):	information and communication technology
Research Areas (max. 2000 characters):	Multimedia data processing. Compression of images and acoustic data in lossless, near- lossless and lossy modes. Compression of data in a wide range (adaptive entropy coding). Use of prediction in data compression systems.
Keywords (max. 10):	data compression, linear prediction, nonlinear prediction, image compression, acoustic data compression
